## TAIL

Use a small 3cm pompom maker to create a small pompom and trim until it is dense and neat. Alternatively, wrap yarn approximately 20 times around

two fingers spaced slightly apart. Tie centre of yarn tightly and cut through all of the loops at each end. Fluff out into a pompom shape and trim to desired size.

**Making up**

Attach body to head matching centre bottom of head with centre top of body. Stitch around on Rnd 3 or 4.

Attach arms at opposite sides of head.

Attach legs towards the front of the body to allow rabbit to sit. Position each leg 3-4 sts from centre front st and 5 rounds from bottom rnd of body and stitch in place around the top of the leg.

Attach ears to the top of the head on opposite sides, ensuring you line them up with the arms. Attach the ears from approximately the second round of the head.

Attach tail at centre back approximately 7 rnds from centre bottom so it holds rabbit in a sitting position.

Embroider eyes approximately two thirds down the head using black yarn or embroidery thread and back stitch. Embroider nose using pink yarn and satin stitch. Embroider mouth using black yarn and back stitch.
